# Introducing The DEC

**Back in early 2022, Cody & I** (both new to the NDIS) met at a local NDIS event in Rockingham WA.

We were eager to build our network and meet other like minded people in the NDIS, but there was no easy way to do this! So we decided to create our own, and for months met on the first Tuesday of each month just the two of us to catch up and talk all things NDIS.

Word of mouth soon spread and now our community has grown across Australia, delivering community focused events in the NDIS.

# How are our events **different** from others?

01.

B2B & B2C  
Meet with everyone  
in the community  
from participants, to  
guardians, ndis  
providers and more

02.

No speed  
networking! Take  
your time and  
choose your own  
adventure

03.

We build values  
based connections  
so participants can  
achieve their goals

04.

We run local expos,  
focusing on small  
businesses that  
actually work in that  
community

05.

Our members get  
over 30% off the  
price to be a stall  
holder
